TP-LINK®
The Reliable Choice

HD Day/Night Wi-Fi Cloud Camera
NC230

Highlights

- **Stay Connected and Secure** – The cloud camera helps you keep in touch with what matters most to you, giving peace-of-mind in both home and office.

- **720p HD Image** – HD resolution gives a sharper, clearer and crisper imaging experience.

- **IR LEDs for Night Vision** – Automatic night vision functionality provides 24 hour surveillance support.

- **H.264 Video Compression** – Reduces bandwidth consumption while maintaining HD quality video.

- **Anywhere and Anytime** – With tpCamera APP and tplinkcloud.com web portal, it is easy to access your camera from anywhere, anytime.

Description

TP-LINK's HD Day/Night Wi-Fi Cloud Camera NC230 is your perfect home and office companion, to help you keep in touch with what matters most, providing you with that sense of well-being while you are at work or play.

Features

Better View

· **720p HD Resolution** – HD resolution gives a sharper, clearer and crisper imaging experience.

· **IR LEDs for Night Vision** – Automatic night vision functionality provides 24 hour surveillance support.

· **H.264 Video Compression** – Ensure smooth HD video streaming while consuming less bandwidth.

· **Get 10x Closer** – 10x digital zoom for that 'close-up' experience.

Uses

· **Secures Your Lifestyle** – The cloud camera helps you keep in touch with what matters most, giving peace-of-mind in both home and office.

· **Live Video** – Check up on what's happening live from anywhere using your desktops, iPhone, iPad or Android devices.

· **Multi-user** – Supports multi-user access for simultaneous viewing.

Ease of Use

· **WPS Support** – Connect to your wireless network easily via the WPS functionality on both the camera and compatible wireless routers.

· **Anywhere and Anytime** – With tpCamera APP and tplinkcloud.com web portal, it is easy to access your camera from anywhere, anytime.

Features

Security

· **Instant Alert When Something's up** – The NC230 can be set to send notifications automatically by email as soon as it detects motion or sound.

Wi-Fi Extension

· **Expanded 150Mbps Wi-Fi** – Eliminates dead zones by 'extending' the range of your wireless network.
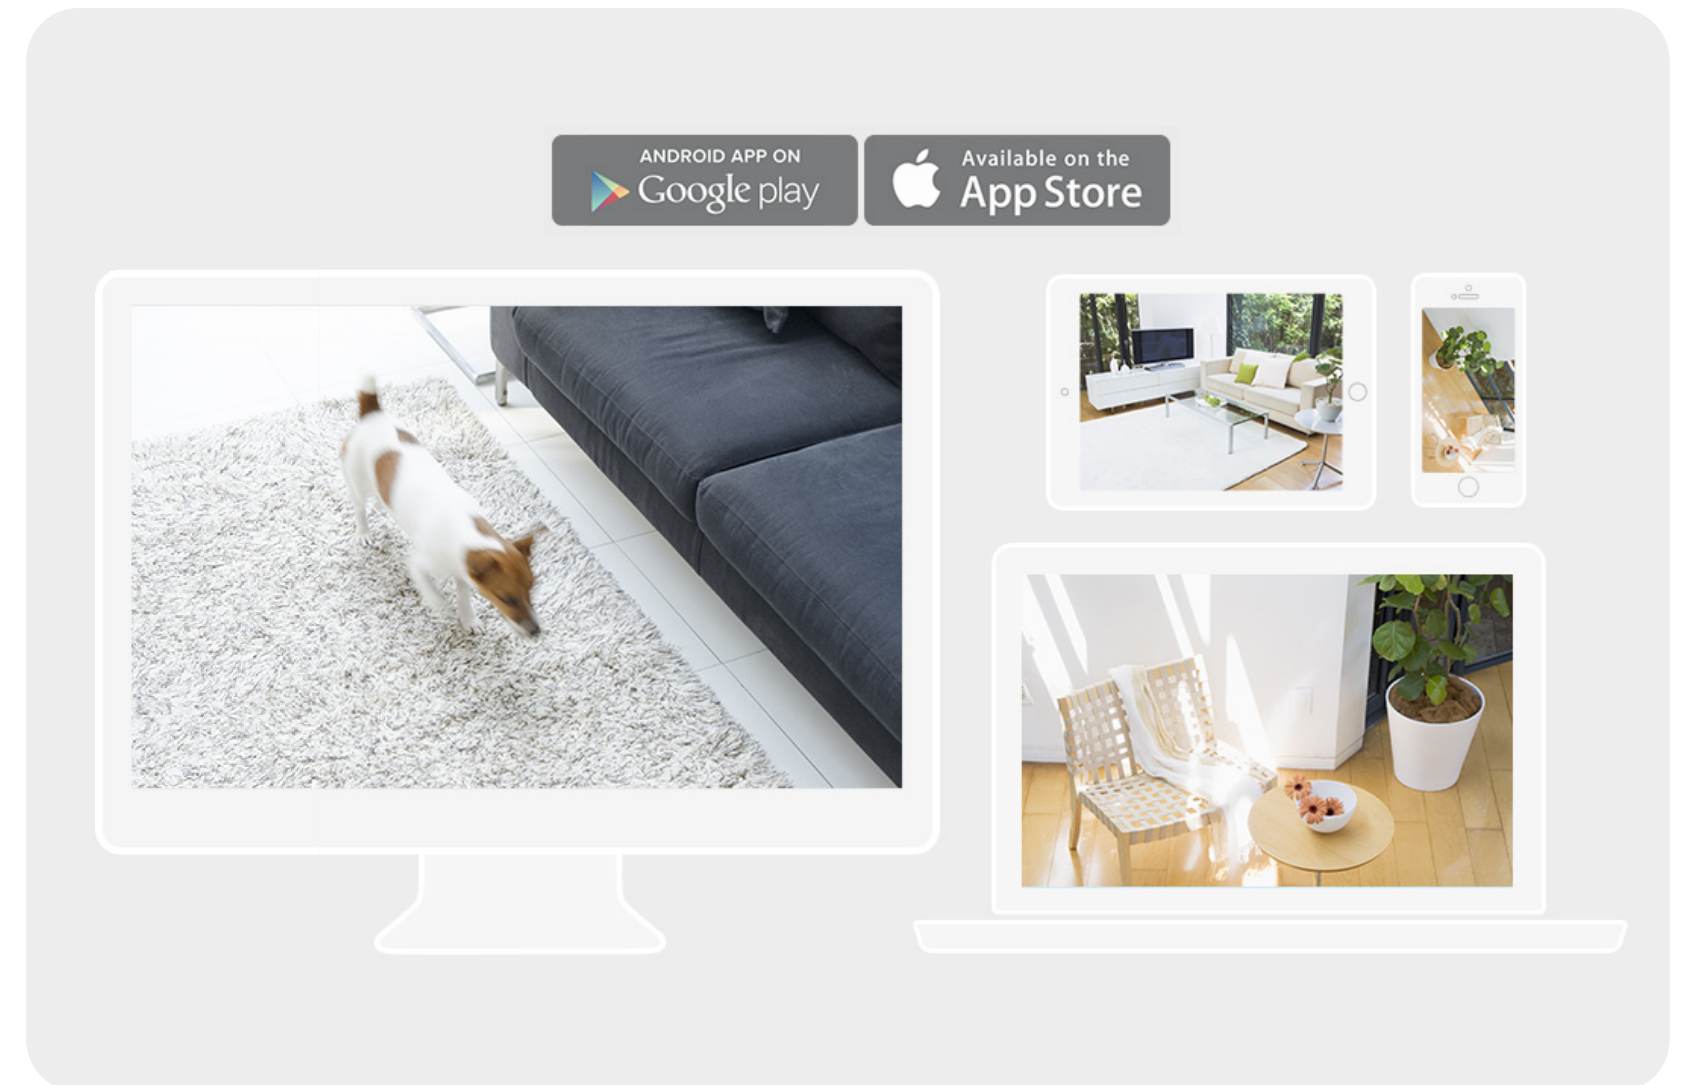

Stay Connected and Secure

The NC230 is a perfect companion for your home or office, helping you be connected with what matters most while you're away.

tpCamera

Anywhere, Anytime Access

The tpCamera app and tplinkcloud.com web portal lets you monitor events, record video, and snap pictures wherever you have an Internet connection. Make sure everything's OK and never miss a special moment, even when you're not on the scene.
